

This is a page of reviews, allegedly written by "Anthony" again, all the reviews are on the same date, all saying EXACTLY the same thing about multiple ALLEGED locksmith companies at various ALLEGED addresses in various CITIES. I noted with interest that "Anthony" has 1 "EDIT" so I clicked on that....

Notes on EXHIBIT 032 - ANTHONY REVIEWS AND EDIT.pdf

9/4/2010

Apparently Google is continually changing their systems and how things display.

The URL contained in the complaint does not display today the way it did a year or so ago when I wrote my scammers report on my web page.

The first 2 pages of this exhibit are taken directly from my web page that I authored some time ago. The third page of the this exhibit is how the URL displays today.

Obviously multiple identical reviews on the same day of multiple locksmiths in multiple geographical locations is a fraudulent attempt to self promote.
